

CHAPTER RESOURCES PACK

Launch. Lead. Report. Grow.

Official Edition 2026

Version 1.0

Built for chapter presidents, advisors, and student leaders

PURPOSE OF THIS PACKET

This document turns the ReachEquilibria Constitution into practical tools for starting, operating, and growing a chapter. It is designed so a student leader can take action immediately without waiting for national leadership to explain every step.

How to Use This Packet

This packet is the practical operating toolkit for ReachEquilibria chapters. The Constitution explains what ReachEquilibria is. This packet explains how to start and run it at the chapter level.

Presidents should use this packet during chapter launch, monthly planning, officer transitions, sponsor outreach, and event preparation. Advisors should use it to understand expectations and support student leadership without taking control of the chapter.

2	Find a recipient organization
3	Promote collection dates
4	Track items collected

3	Reserve space
4	Promote event
5	Host Q&A
6	Submit photos and attendance estimate

Awareness	Instagram posts, videos, resource sharing
Education	Guest speaker, workshop, school presentation

Fundraising	Tournament, restaurant night, sponsor campaign
Community Engagement	Mental health fair, wellness table, partner event

CHAPTER FREEDOM

Every chapter may participate differently. The purpose is meaningful impact, not identical programming.

Fundraising and Sponsorship Guide

Chapters keep the money they raise. National does not automatically fund chapter events. Because of this, every chapter should learn basic fundraising and sponsorship outreach.

Common Fundraising Models

Model	Description
Tournament or Competition	Basketball, chess, pickleball, or school-based event
Restaurant Night	Local restaurant donates percentage of sales
Business Sponsorship	Business contributes money or goods for recognition
Donation Drive	Collect goods instead of money
Community Fundraiser	Bake sale, car wash, school fair, wellness event

Sponsor Tier Template

Tier	Suggested Contribution	Recognition
Bronze	\$100-\$249	Social media thank-you
Silver	\$250-\$499	Logo on event materials
Gold	\$500-\$999	Logo, social post, event recognition
Platinum	\$1,000+	Premium recognition and speaking opportunity if appropriate

IMPORTANT

Sponsorship tiers may depend on the event. Chapters should consult National for major sponsorship packages or unusual sponsor requests.
